

***Sir PHANCIS DRAKE
revived;***

*Calling upon this diM or effeminate Age, to
follow his noble steps for gold and
silver.*

S THERE is a general Vengeance which secretly pursueth the doers of wrong, and suffereth them not to prosper, albeit no man of purpose impeach them: so is there a particular Indignation, engrafted in the bosom of all that are wronged, which ceaseth not seeking, by all means possible, to redress or remedy the wrong received. Insomuch as those great and mighty men, in whom their prosperous estate hath bred such an overweening of themselves, that they do not only wrong their inferiors, but despise them being injured, seem to take a very unfit course for their own safety, and far unfitter for their rest. For as ESOP teacheth, even the fly hath her spleen, and the emmet [*ant*] is not without her choler; and both together many times find means whereby, though the eagle lays her eggs in JUPITER'S lap, yet by one way or other, she escapeth not requital of her wrong done [to] the emmet.

Among the manifold examples hereof, which former Ages have committed to memory, or our Time yielded to sight: I suppose, there hath not bfeen any more notable then this in hand ; either in respect of the greatness of the person by whom the first injury was offered, or the meanness of him who righted himself. The one being, in his own conceit, the mightiest Monarch of all the world! The other, an English Captain, a mean subject of her Majesty's! Who (beside the wrongs received at Rio de [la] Hacha with Captain
